

INTELLIGENT MEMORY

RoHS* Notification

Most of the products we distribute are not “electrical and electronic equipment” in the sense of the RoHS Directive. However, they are used in the manufacture of electrical and electronic equipment.

We confirm the RoHS-conformity of our distributed electronic products / electronic equipment” in compliance with the European directive EU 2011/65/EU** and 2015/863/EU*** on the restriction of the use of certain hazardous substances in electrical and electronic equipment (EEE) – recast and its amendments of the European parliament and of the council.

The substances concerned are listed in Annex II of the RoHS Directive. The first version was released on **1st of July, 2011** and amending Annex II to Directive 2015/863/EU was released on **31st of March, 2015** in the Official Journal of the European Union.

If you have any issues or would like any additional information, please feel free to contact us.

* RoHS – Restriction of Hazardous Substances

** Guideline 2011/65/EU of the European Parliament and the Council (this version replaced 2002/95/EU)
